at: 4000 Olympic Plaza, Long Beach, Los Angeles County (APNs: 7256-039-903 & 7256-040-903)

Pursuant to Section 13169 of the Commission Regulations, the Executive Director has determined that there are no changed circumstances affecting the proposed development's consistency with the Coastal Act. This determination shall be reported to the Commission. The permit expiration date shall be extended for one year from the date the permit would otherwise have expired if “(1) no written objection to the executive director’s determination is received within 10 working days after mailing notice, and (2) three [or more] commissioners do not object to the executive director’s determination." If an objection is received, the executive director shall review such objection to determine whether the objection identifies a changed circumstance that may affect the development’s consistency with the Coastal Act. If the executive director concludes that no such circumstance is identified, the determination and conclusion shall be reported to the Commission along with copies of such objections. If three or more Commissioners do not object to the determination, the time for commencement of development shall be extended for one year from the expiration date of the permit.

Persons wishing to object or having questions concerning this extension application should contact the district office of the Commission at the above address or phone number.
